DOCKET NO. 1996-23-C - ORDER NO. 2005-205

APRIL 20, 2005

IN RE:	Application of Comdata Telecommunications)	ORDER CANCELLING
	Services, Inc. for a Certificate of Public)	CERTIFICATE
	Convenience and Necessity to Resell)	
	Interexchange Telecommunications Services)	
	within the State of South Carolina.)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Comdata Telecommunications Services, Inc. (“Comdata” or the “Company”) to cancel its Certificate of Public Convenience and Necessity (“Certificate”) to provide resold interexchange telecommunications services in the State of South Carolina. A review of the docket file reveals that Comdata’s authority to provide telecommunications services in South Carolina was granted by Order No. 96-325, dated May 6, 1996.

By letter filed April 14, 2005, Comdata, through the Company’s Legal Department Manager, advises the Commission that the Company closed its resell business on December 31, 2003, due to lack of customers within the state of South Carolina and that the Company does not elect to resell telecommunications services in South Carolina. Comdata requests that the Company’s Certificate be cancelled.

As Comdata is no longer providing the services for which the Company’s Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that Comdata’s Certificate of Public Convenience and Necessity to provide

resold interexchange telecommunications services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to resell interexchange telecommunications services within the State of South Carolina authorized by Order No. 96-325, dated May 6, 1996, issued in the instant docket to Comdata Telecommunications, Inc. is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
